## TO WHOM IT MAY CONCERN

M/s. Universal Gear Industries & Engineering Works (UGI) were entrusted to design, supply, engineer, install and commissioning of TMT Rolling Mills of 100,000 – 120,000 tpa capacities at Durgapur.

The mill were duly commissioned and brought mill production by UGI and now are in regular production. UGI further assisted us in inducting operating and maintenance personnel and in training our workforce. The mills have successfully achieved in production programme and roll TMT bars from 8 – 40 mm dia.
